

♈ Weekly Horoscope for Aries

12th May 2008 – 18th May 2008

Rita Ann Freeman's Weekly Horoscope:

Private Life: ✨

Money and Professional Matters: ✨

Family:

Good fertile ground for fixing problems may allow you to deal VERY successfully with Pisces, Aquarius, Virgo, Sagittarius and Taurus members OR with any member over a 'money/value' issue near the 12/13th. Your judgment is NOT the best near the 14th so stay OFF of discussions or any approach to Pisces, Aquarius, Leo, Taurus or Ram member or ANY sign about 'money' issues. A very enjoyable weekend is likely but not until after a 'sketchy' health or fatigue issue YOU may have the 15/16th.

Love:

Romance does very well IF you remember to keep your lip zipped about money AFTER the 13th until the 17/18th and that is with ANY sign you are paired to! Hot days for single Rams to make new 'long lasting' connections with 'well fixed/placed' matches are the 14th and 17/18th with Libra, Virgo, Cancer and Scorpio excellent signs. Friendship:

New friends may also be 'in the mix,' especially during daytime mixers, lunches and 'chance encounters' while out with friends doing errands, shopping or shared hobbies, sports or social events.

Career:

You appear to invest a GREAT deal into the 12th with good to very excellent returns. Power people are most helpful, big profit opportunities abound and assistance from Sagittarius, Virgo, Aquarius, Pisces, Leo, Taurus and other Rams is highly likely. Real estate, investment, banking, medical, food and travel industries do best. Caution near the mid day of the 14th should be used when 'promising results.' Leave yourself 'loop holes' or 'fudge room,' especially in 'estimating.'

Finances:

Fair to very good

Enjoy the attention you receive. but don't forget to send flowers or chocolates to your someone special. A good hearted co-worker or friend may offer you a gift, even if it's just a compliment, it should help to give you a little more of a positive flow, to your week. It'll help you to exercise your mind & get past other's opinions & expectations of you. Try to plan a relaxing week-end get-away, it'll help you to focus on your intuitive feelings. Be certain that you want what you're going after. You hate gossip & dishonest people. Unfortunately, you're likely to hear some tall tales, that make you want to blow a gasket! Just step back before going for the bait, it may be a set-up. Take a deep breath. Share your emotional side to those who matter. Don't be rude, but get your point across.
